

## Precision Bulkhead SMA Male to N Female Adapter

### RF Adapters Technical Data Sheet

PE9488

#### Configuration

- SMA Male Connector 1
- N Female Connector 2
- 50 Ohms
- Precision Design
- Straight Body Geometry
- Bulkhead Mount Method

#### Features

- Max VSWR of 1.15:1 up to 18 GHz
- SMA Interface compliant with MIL-STD-348
- N Interface compliant with MIL-STD-348
- Gold Plated Beryllium Copper Contact

#### Applications

- Allows Connection Between Series
- Rack Mounted Equipment
- General Purpose Test
- Precision Test & Measurement

#### Description

Pasternack's PE9488 precision bulkhead SMA male to type N female adapter is part of our full line of RF components available for same-day shipping. The SMA connector mates mechanically with commercially available 3.5mm and 2.92mm (K) connectors. Our SMA to type N adapter has a male to female gender configuration in a precision design. PE9488 SMA male to type N female adapter operates to 18 GHz. The Pasternack RF adapter provides excellent VSWR of 1.15:1 maximum. This RF SMA bulkhead to type N adapter allows designers to create external connections on their product enclosures, and can be used in a variety of other rack mount and panel mount applications.

RF adapters are often used to enable connections between two connector types that would otherwise not mate. Certain adapter configurations can also be used to protect connectors on expensive equipment where the number of connect/disconnect cycles is high. An RF, microwave or millimeter wave adapter is connected to the equipment, and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connector savers. Pasternack also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

#### Electrical Specifications

Description	Minimum	Typical	Maximum	Units
Frequency Range	DC		18	GHz
VSWR			1.15:1	

#### Mechanical Specifications

<b>Size</b>	
Length	1.65 in [41.91 mm]
Width	0.895 in [22.73 mm]
Weight	0.101 lbs [45.81 g]
